## Results Of City Planning Board Meet Revealed

(Continued from Page 1-A)  
store building at 4024 Pacific Coast Highway.

**Request Denied**  
Denied and sent to the City Council for action a request from Wm. J. Fox to rezone from Light Agricultural to General Commercial the properties located approximately 1370 feet westerly and 1130 feet southerly from the southwest corner of Prairie avenue and Redondo Beach boulevard. The same action was taken on a similar request from Earle B. Palmer whose petition concerned the property located on Prairie avenue between Redondo Beach boulevard and 171st street.

Denied a request for permission to construct a trailer court on the south side of 182nd street between Yukon avenue and Crenshaw boulevard. Proximity to a dairy was given as the reason for denial of the request.

**Action Delayed**  
Held over the request of F. R. Taylor for permission to construct an office building and to operate a lumber yard near the intersection of Pacific Coast Highway and Ocean avenue. Investigation of a possible traffic problem involving operation of the yard was the reason for the delay in action.

Approved a petition from Doris R. Allen which would allow her to construct a duplex in the rear of an existing single family unit and to convert the single unit into a duplex.

Approved a Revised Tentative Tract Map No. 15071 as presented by Wm. J. Fox.

Approved a request to vary from the existing 25-foot setback to 15 feet for eight lots in the Riviera Housing project.
